OUR LEGACY

22+ years of experience and 1000's of business clients.

For over 10 years BCN Sales Partner Mark Lawton, founder of LivTech, has been a trusted advisor to a leading technology company doing business in 150 countries worldwide.

As a true extension of the Company's team, LivTech provides consulting and onsite support to help streamline and manage their telecommunication infrastructure.

THE SIGNS OF COMPLEXITY

- 165 locations throughout the U.S.
- Multiple services.
- 200+ monthly invoices.
- 30+ different telecommunication network, equipment and services providers.

THE CHALLENGES OF COMPLEXITY

- Multiple service and support contacts made the management of existing services and the addition of new frustrating and business impacting.
- The outsourced monthly review and analysis of invoices was cumbersome, time consuming, and costly.

BCN FINDS SIMPLICITY IN COMPLEXITY

BCN listened closely to the challenges facing the customer. BCN engineers and project managers collaborated to identify current network infrastructure and future needs to create a cost-effective, integrated, single-source solution resulting in hard and soft cost savings.

- One source for nationwide broadband services, aggregating multiple wholesale providers.
- One consolidated, easy to read monthly invoice.
- One team for support and service.
- One sophisticated Customer Portal to view and manage service locations, products and services, orders, tickets and more.

Working with BCN we knew immediately that we could help our client's team simplify a very complex collection of services, vendors, and monthly invoices."

Mark Lawton, LivTech Founder
